

Join us for a free, all-day **A/V Archiving Fair**

w/ members of the Association of Moving Image Archivists

Independent media makers, collecting institutions, and community groups in the Portland area are invited to bring your challenges, your media objects, and your data for a day of collaborative problem solving and skill-sharing with the AMIA community.

A photograph showing a person's hands operating a film scanner on a light table. The person is wearing a dark jacket and is focused on the task. The light table is illuminated, and the film strip is visible. The background is dark, and there are some tools and equipment on the table.

**Saturday
December 1**

**10 am- 4 pm
Hilton Portland Downtown**

SIGN UP TO RESERVE A SPOT

This FREE fair is organized around a number of “stations,” each of which will be staffed by audiovisual archivists, and focus on a particular workflow, technique, or tool.

Sign up for as many stations as you need. Walk-ins are also welcome. Sign up or contact :
